

## CURSA LED-SPOT

The Cursa LED-spot is an exceptionally high performance recessed down lighter. It is a premium quality solid state lighting product precisely engineered and manufactured with state of the art technologies and materials. It has a simple and small design and has different options in colour temperature, beam angle and cover colour. The Cursa can be used in residential and commercial markets and in combination with our LED-drivers the Cursa LED-spot is perfectly dimmable.
